High Power Flashlight

PowerTech

PowerTech, Inc., located in Collierville, TN, designs, manufactures, and distributes Smith&Wesson® branded flashlights to retailers and wholesalers across the USA. In 2004 international markets were added.

Founded in 1852, Smith&Wesson® is a globally recognized provider of a broad portfolio of firearms which serve both the consumer and professional markets. PowerTech continues this tradition with its premium line of tactical and every day use flashlights.

In 2010 PowerTech introduced its own Night Armor™ Brand. Designed to feature packs of popular consumer items, the line will be expanded in 2014 to include other product categories.
PowerTech manufactures a wide variety of product lines serving the following markets:

Law Enforcement
Military
Safety and Security
Outdoors Sports
Home Improvement
On-line Retailers
